

# Plastic Folding Sawhorse

Folds flat to only two inches thick.

The top rails contain anti-skid rubber pads to prevent sheets of plywood or other material from sliding around while sawing.

The tool shelf automatically opens while unfolding the saw horse. The shelf provides a handy place to put your tools.

The legs contain rubber feet to prevent sliding when placed on a smooth floor.

Shipping info:  
8 sawhorses per box.  
2,640 singles per truck.
